writes: "I was troubled with almost
constant pains in my sides and back
and attributed it to weakening of my
kidneys. I got a package of Foley
Kidney Pills. Great relief was appar-
ent after the first doses and in 48
hours all pain left me." If you have
rheumatism, backache, swollen, aching
joints or stiff, painful muscles, why
not try Foley Kidney Pills? They stop
sleep-disturbing bladder ailments, too.
